Lighting the Christ

Candle:

John 1

One: "In the beginning was the Word. And the Word was with God. And the Word was God.

All: And the Word became flesh and lived among us, and we have seen his glory.

One: The light shines in the darkness, and the darkness did not overcome it.

All: The true light, which enlightens everyone, comes into the world: and to all who received him, who believed in his name, he gave power to become children of God."
